Prism CP-136 Ceiling Track Hoist

The Prism CP-136 Ceiling Track Hoist offers exceptional versatility as it can be used with either a fixed ceiling track system or in conjunction with a gantry system such as the the Prism FSG-136 Free Standing Gantry or the Prism Easy-Fit System.

360° quick release attachment enables the CP-136 to be changed from a ceiling track hoist to a portable hoist in minutes.

The Prism CP-136 offers a safe working load of 136kg.
